

Dear Friend of the Community:

Fairborn Wee Hawks Youth Football & Cheer was founded on the premise that all kids, regardless of size or skill level, should have the option to participate in organized tackle football.

Youth sports has proven to be a catalyst for many young players to better understand the need for further education, and can be the glue that holds these players to the academic structure. One of the goals of the program is to leverage the players desire to play football or cheer as a tool to reinforce the importance of school and community.

Occasionally, we are approached by children who may be academically proficient yet economically hindered. The Fairborn Wee Hawks does its best to provide scholarships for these players, but since we are a community organization that relies solely on funds raised from fundraising efforts and sponsorships, granting a scholarship to every applicant causes a financial strain on the teams. Individual and corporate sponsors can help defray registration expenses.

Please consider helping out a football player or cheerleader by sponsoring a child for a cost of \$200.00.

Your contribution of \$200.00 will cover a specific child's registration fees, game uniforms, equipment, insurance costs, and league fees.

Simply fill out the short form below and mail it in with your check payable to:

Fairborn Wee Hawks, PO Box 1976, Fairborn OH 45324

Please consider being a part of something great for our community by becoming a Player Sponsor today. The young football player or cheerleader will have you to thank as they learn and play the game of football. All sponsors are recognized on our website.
