

FAIRBORN WEE HAWKS ADVERTISING BANNER PROGRAM

Dear Fairborn Wee Hawks Supporter,

Our 2024 season is underway at Fairborn Cement Field, and we hope you will join us.

Our program is offering a banner fundraising option that is both simple and beneficial. You (or your business) pay just \$200 in the first year and \$150 renewal each subsequent year. This is an opportunity to display your business or your personal/family pride. This 3' x 5' banner will include your business logo and information or supportive message.

Available Banner Options

Wee Hawks Supplied		Sponsor Supplied
3' x 5' \$200 (\$150 2nd year)		3' x 5' \$150 per year

The banner will be prominently displayed at the football field along the end zone fence. The football field is utilized from the months of July through November. There will be a wide variety of potential customers seeing your banner throughout the season. Along with your advertisement, we will create a link to your company's web page.

The Fairborn Wee Hawks reserves the sole right to approve all banners as suitable for a youth sports program. The organization cannot be responsible for damage to or loss of banners for any reason. Sponsor-supplied banners must be of a material suitable for outdoor use and be capable of withstanding adverse weather conditions such as rain and wind. The maximum height of any banner is 3', and maximum length is 5'.

Please complete the included form below and return to:

Fairborn Wee Hawks, PO Box 1976, Fairborn OH 45324

With a check payable to Fairborn Wee Hawks. If you have any questions, feel free to contact me. Thank you for your support of Fairborn Wee Hawks Football and Cheer.

Sincerely,

Charles Cook
President

Sponsor Supplied

First Year, \$200 Renewal, \$150

\$150

Please email a good quality file of your log along with the text you would like on the banner to weehawksfootball@gmail.com. All images should be in .jpg, png, .bmp, or .tif. No logos from websites please. Good quality art ensures a quality finished banner. Poor quality art will appear fuzzy and pixelated when expanded to banner size.
